

Science Advisement - Newsletter - Spring Semester, 2012

Science Advisement Office, Neckers A185, 618-536-5537, email us at advise@cos.siu.edu

The advisement office will be short handed again this semester, so make your advisement appointment early. You will be allowed ONE appointment only. If you cannot make your appointment, cancel at least 24 hours in advance to reschedule. We have hired a new advisor, Kim Doellman, who is now in training and will start seeing students later in the semester.

The last day to drop a semester length class is Sunday, March 18. Plan to drop BEFORE Friday, March 16, in case there is a HOLD that needs clearing up.

Students have TWO (2) WEEKS after the end of each term to challenge grades if they believe an error has been made. ALWAYS check your grades immediately after the term ends.

*Receive valuable information about new policies and much more via the Science Advisement **LISTSERV**. If you haven't already signed up, do it NOW. Send an email to: listserv@siu.edu. The subject line can be ignored. The text of the note should contain the following listserv command: **SUB SCIENCE-NEWS-L firstname lastname***
